

BOMPairs Periwinkle

You will need to make 3 of Periwinkle's Present for the mystery quilt.

Print pattern as is. Create templates with plastic or freezer paper.

You must be sure all templates have 1/4" seam allowance added on all sides of your templates. Cut your pieces and mark. The order to sew is the same as the pieces are marked.

A-C is made as a set and each side with 1-4 are sets. The center a-b needs A-C on sides as seen. Sew a set of 1-4 to each side of A-C with a-b to complete.
