1. Follow these instructions for all triangle squares of fabrics.
(That is c-d, e-f, g-h.)

Mark center diagonal Line both directions on wrong side on one of each pair. (1).

2. Align needle 1/4" to left of line (1/4" foot puts the line on the edge of the foot) and sew both sides this way.

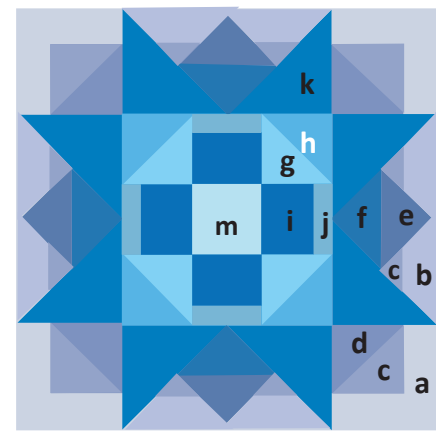

3. Cut straight at center of squares both ways (2) between stitches and press open. This will make 8 of each. Trim to 2 1/2" square. A few will be spares.

4. Sew (i) to (j) at 2 1/2" side. Press each open. Trim to 2 1/2" square allowing 3/4" of (j).

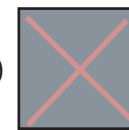

5. Sew two of i-j to opposite sides of m as shown in (3) and press.

6. Sew two of g-h to i-j as shown in (4) twice.

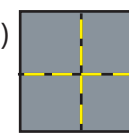

7. Sew each of (4) to sides of (3) as shown in (5) Press and trim to a 6 1/2" square.

8. Sew strip b and c right sides together. Press open (6).

9. Cut 8 triangles with the top point on (c) and bottom points at 3" on each side.

Sew to each (e) side of triangle square e-f to make four of (7).

10. Cut (k) squares on the diagonal once. Slowly sew long side to (7) to make (8).

Press. Do not trim (b) side. **Align to seam and trim only on the (k) side keeping 1/4" from the point to allow seam allowance.**

It should be 6 1/2" and over 3 1/2" on the short sides. Check for square corners.

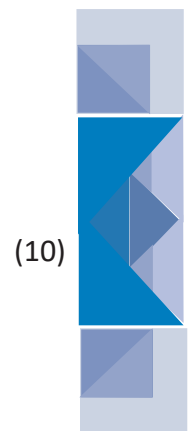

11. Sew (a) to (c) side of c-d triangle squares .

Press and sew (a) to the other (c) side. Press to get (9). Square to a right angle **on (d) corner only.** Align your points.

12. Sew (9) to each end of (8) as in (10). Press.

13. Sew (8) to (5) as in (11).

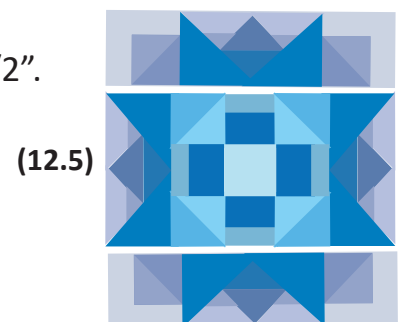

14. Sew (10) to top and bottom as in (12.5). Press and square up to 12 1/2".
