

Train

Apply double sided fusible web product to the wrong side of the fabric, following manufacturer's instructions. I use "Steam A Seam" but go with what works for you.

Fabric needed for each car:

- **Engine:** 6.25" x 4.75"
- **Coal Car:** 5.5" x 5"
- **Tanker:** 6.25" x 4.75"
- **Caboose:** 6.25" x 5"
- **Window and wheels:** 2" squares

Heart, Snowflake, Star

Apply double sided fusible web product to the wrong side of the fabric, following manufacturer's instructions. I use "Steam A Seam" but go with what works for you.

Fabric needed for each shape:

- **Heart:** 6" x 5"
- **Snowflake:** 5" x 5"
- **Star:** 6" x 5"
