

BOMPairsB06 Applique

This month use the pre cut background piece 1. (13 1/2" x 16 1/2") and piece 11. (8 1/2" x 16 1/2") to applique three each of the patterns below using your favorite applique method. Feel free to add rick rack to the petals and any other embellishments as you like. If you have a theme this is a place where you can substitute your theme pattern. Be sure to add 1/4" seam allowance to each petal. Also make sure your placement leaves at least 1" all around the finished pieces.
